GRACE FOR THE MOMENT

"Doing What's Right"

Everyone who is a child of God conquers the world. And this is the victory that conquers the world – our faith. 1 John 5:4

You get impatient with your own life, trying to master a habit or control a sin – in your frustration you begin to wonder where the power of God is. Be patient. God is using today's difficulties to strengthen you for tomorrow. He is *equipping* you. The God who makes things grow will help you bear fruit.

Dwell on the fact that God lives within you. Think about the power that gives you life. The realization that God is dwelling within you may change the places you want to go and the things you want to do today.

Do what is right this week, whatever it is, whatever comes down the path, whatever problems and dilemmas you face – just do what's right. Maybe no one else is doing what's right, but you do what's right. You be honest. You take a stand. You be true. After all, regardless of what you do, God does what is right: he saves you with his grace.
